

HAWKEYE DOWNS SPEEDWAY 2010 LINE-UP PROCEDURES

LATE MODEL – MODIFIED – SPORTSMAN -- HORNET

All classes will draw-redraw for the first week of competition. Starting week 2 we will use the previous week feature finish, inverted, to determine starting positions. The number of cars that must qualify in the heats to be eligible for the feature invert will depend on the total number of cars on hand for the night. Any class with less than 10 cars will run one heat and their feature.

B-features will be run if we have 27 cars or more to determine the final 6 rows of the feature.(2 B's – top 6 in each advance.)
